

ITINERARY FOR 7 DAYS AND 6 NIGHTS IN TANZANIA - DiverMojo

Day 1: 13th July 2024 - Arrival from Zanzibar to Karatu

Drive time: 3-4 hours

Meet and greet at the airport with your guides, have a quick lunch and then we will drive to a Maasai Village to visit a women's project. This is a rare occurrence in the Maasai culture supporting women's independence. We will learn about their way of life and offer any gifts we have brought.

Day 2: 14th July 2024 - Karatu to Serengeti National Park

Drive time: 5-6 hours

Meal plan: Full board (Breakfast, Lunch and Dinner)

After breakfast we will drive to the Ngorongoro Conservation Area. We will stop by the Ngorongoro Crater viewpoint and get a glimpse of the crater (the largest crater on earth).

We will then drive through the crater rim to Serengeti National Park. After we arrive at the gate, we will have lunch while our guides register us to enter the Serengeti National Park. There is an optional short walk up Naabi Hill for a view of the endless plains of the Serengeti.

After lunch we will drive inside the park for an afternoon and evening game drive on the way to Osupuko tented lodge. This wonderful, tented camp is unfenced and inside Serengeti. Who knows what animals might come to visit?! Arrive at Osupuko for dinner and overnight.

Day 3: 15th July 2024 - Serengeti Central to Serengeti North

Drive time: 4 hours

Meal plan: Full board (Breakfast, Lunch and Dinner)

After breakfast we will leave Osupuko and drive to Northern Serengeti with a game drive on the way. Afternoon and evening game drive in the northern Serengeti Kogatende area.

This area is where the Wildebeest and Zebras finally get to cross the Mara River and enter the Maasai Mara conservancy in Kenya. We will be driving to different crossing sites looking for the area where the great migration happens. We will also be doing game drives in different parts of the Kogatende area known for sightings of prides of lions, leopards, cheetahs and big herds of elephants.

We end this exciting day at our next tented lodge for dinner and overnight.

Dinner and overnight at Serengeti Kati Kati North, where we stay for two nights.

Day 4: 16th July 2024 - Northern Serengeti - Kogatende Area
Meal plan: Full board (Breakfast, Lunch and Dinner)

We will leave for a full day game drive to look for a site where the crossing will be happening. Be prepared! Two million wildebeest all heading in the same direction can be violent... We will be doing a game drive in other areas also that are known for their predators including the lions, leopards and cheetahs that hunt the many herds of herbivore species roaming in the surrounding areas.

Full day Serengeti North and overnight at Serengeti Kati Kati North.

Day 5: 17th July 2024 - Serengeti North - Serengeti Central - Ngorongoro crater rim
Meal plan: Full board (Breakfast, Lunch and Dinner)

After breakfast we will do a morning game drive in the north on our way to central Serengeti. Following an afternoon game drive, we head to Ngorongoro Conservation Area and stay at Rhino Lodge on top of the crater.

Dinner and overnight at Rhino Lodge Ngorongoro.

Day 6: 18th July 2024 - Ngorongoro Crater and Karatu
Meal plan: Full board (Breakfast, Lunch and Dinner)
Early morning breakfast and drive inside the crater for a half day.

Ngorongoro Crater is the largest unbroken caldera in the world that hosts more than 30,000 different animals, all living inside the crater. The crater is known for its endangered Black Rhino, that have found sanctuary inside the crater for protection from the poachers. Other animals

include big herds of wildebeest and zebras, hippos, buffalos, Grant's Gazelles, bull elephants and many more.

After our picnic lunch we head back to Karatu for relaxation, to pick up our dive gear, and to make preparations for going home.

Dinner and overnight Tloma Lodge or Marera Valley Lodge Karatu.
