TRAVELING IN COVID-19 TIMES

Even during this very unusual year, with so many challenges, there is much to be grateful for! We are grateful for all of the support and positive energy that we have received during this unprecedented time and appreciate the trust that you have in us and the way we conduct business. Special thanks to those who traveled to Roatan in October, our first trip since Covid. More on Roatan in the next newsletter.

DiverMojo is actively taking precautionary steps with our trip partners and for our travelers

- Detailed research & information sharing
- Providing PPE for travelers
- Making sure your money is safe! See the modified [DiverMojo Cancellation Policy](#)
- Requiring health & safety policies with our partners; especially related to COVID protocols and procedures.
- Only booking with partners that meet or exceed the new COVID-19 standards based on CDC and DAN recommendations
 - [DAN Recommendations](#)
 - [Alert Diver COVID-19 Information](#)

DiverMojo travelers are passionate and committed people and your love for the ocean and the life it contains makes you all wonderful travel companions.

Looking forward to our next adventures together! Can't wait to hear from you.

DISTINCTIVE SERVICES

Personalized travel

We love designing special travel experiences for your friends and family. If you have a reunion or other event you want to plan, let us know and we will design exactly what you are looking for!

Personalized scuba training

We want to help you achieve your dream of diving, no matter what! Our instruction, based in Fort Lauderdale, will be in a private or semi-private class to ensure that every question you have is answered, every barrier overcome, and every goal achieved!

PREVIOUS MAGIC!

Belize Magic! - Feb2020

Read "[The Gift in the Journey](#)" article by Cindy Leacox of C.L. Wanderings covering the *Belize Magic!* Trip, February 2020.

Florida Magic! - Aug2020

By special request, DiverMojo designed a spectacular adventure in South Florida. The ocean Gods were with us and we were able to complete 12 out of 12 dives with no seasickness!

We dove Pompano wrecks and reefs and beautiful drift dives over gorgeous healthy coral in Palm Beach County. We even saw a solo hammerhead on a dive that included three species of sharks and a loggerhead!

We enjoyed learning about the [1000 Mermaids](#) Artificial Reef Project and dove their installation in West Palm Beach, doing reef maintenance and collecting data.

We filled our collection bags with fishing line and other debris on every dive.
